I and the EVP, Chief People & Culture (P&C) Officer, Phyllis Nordstrom, are fully committed to the principles of Affirmative Action and Equal Employment Opportunity. To ensure dissemination and implementation of equal employment opportunity and affirmative action throughout all levels of the Company, I have selected Laurel Ditson, P&C Director located in Littleton, CO as our EEO Coordinator, for 3D Systems Corporation. One of the duties of the EEO Coordinator is to establish and maintain an internal audit and reporting system to allow for effective measurement of 3D Systems Corporation's programs.

In furtherance of 3D Systems Corporation's policy regarding Affirmative Action and Equal Employment Opportunity, 3D Systems Corporation has developed a written Affirmative Action Program which sets forth the policies, practices, and procedures that 3D Systems Corporation is committed to ensure that its policy of nondiscrimination and Affirmative Action is accomplished. This Affirmative Action Program is available for inspection by any employee or applicant for employment upon request between 8:00 a.m. - 5:00 p.m. at the People & Culture department. Any questions should be directed to me, your supervisor, or Laurel Ditson, EEO Coordinator. Laurel Ditson may be reached at (720) 643-1081.

We request the engagement of all employees in supporting Equal Employment Opportunity.
